

**A Compact Section
of an Overhead Transmission Line
is already in the US since 1993! –**

**1-Subconductor-Per-Phase Compact Section
of 230-kV, 3-phase Tacoma-Cowlitz No.2 OTL,
Tacoma Power, Tacoma Public Utilities,
Tacoma, WA**

**Now it's time for the next step:
from 200 yards— to 200 miles**
